The Central Alberta Pregnancy Care Centre is excited to present a new Christmas musical production. "A Baby Changes Everything" tells the story of three imagined, troubled seekers who almost slept through the first Christmas, and the children who woke them in time to experience the life-changing miracle of the Incarnation.

A mix of beloved carols and original theatrical songs of testimony brings the Biblical Christmas story to life. The challenge is clear, the theme is timeless, and the time is now; will we go down in history as a people with no room for their King? This production is a fundraising event for the CAPCC Maternity Home, which provides a nurturing home supporting a healthy pregnancy and positive parenting.

Tickets are available now at the Central Alberta Pregnancy Care Centre, by calling 403-343-1611, or online at www.pregnancycares.ca/christmas-musical
