WELCOME TO OUR NEW DPC SUMMER STAFF:

Our grant application for summer students through the Canadian Summer Jobs program has been approved!

Katie Cookson will be working as one of our summer students. She will be mainly helping out within our Youth & Children Ministry, but assisting where needed! Katie is 18 years old, and she just graduated from Koinonia Christian School. In the fall, she will be attending Millar College of the Bible to take a Bachelor of Biblical Studies. Katie is very excited to create different events to connect and build community. A fun fact about her is she loves playing sports, and her favourite sport to participate in is Juggling, a fun combination of juggling and running! When you see her around, give her a big welcome!

Colton Toews will also be working as one of our summer students. He will be mainly helping out within our Worship Ministry, but assisting where needed! Colton is 18 years old, and he just graduated from Gateway/Thurber. He will be attending Red Deer College in the fall to take a Bachelor of Science in Engineering. Colton is very excited about running Monday night Bible Studies with our middle school students and assisting our worship ministry. A fun fact about him is he stuffs his shoes with paper as an extra lift to make himself a little taller. Welcome Colton!
